

Dual-Fuel Petrol/LPG
Capability

3800W
4.75kVA Petrol/LPG

Silenced Pure Sine Wave
Inverter Technology

Powertec 3800W/4.75kVA Petrol/LPG Silenced Inverter Generator

The Powertec PTi3800-LPG runs on both petrol and LPG, so when the petrol can runs dry you swap straight to your BBQ bottle and keep working. LPG stores indefinitely, costs less per hour, and burns cleaner than petrol. You get 3.8kW of Pure Sine Wave power through a 15A IP44 outlet, ready to drive a circular saw, work lights and a fridge at once. At 58dBA from 7 metres it runs quieter than conversation, and at 22.5kg dry you carry it one-handed.

- ✓ **Never get caught short of fuel**
Runs on petrol or LPG. When the petrol runs dry, swap to your BBQ bottle and keep working. LPG stores indefinitely and costs less per hour.
- ✓ **Silenced inverter technology**
Ultra-quiet operation producing clean, stable power safe for sensitive electronics and appliances
- ✓ **One-handed carry at 22.5kg**
Light enough to lift solo into the ute. Compact 480 x 290 x 440mm footprint fits anywhere.
- ✓ **Digital display panel**
Easily monitor power output, fuel level, voltage and operational status at a glance
- ✓ **3.8kW to run the whole site**
1x IP44 Outlet, USB and "T"-type DC socket to power a wide range of devices simultaneously

Technical Specifications

Engine:	OHV 159cc 4 Stroke
Max Power (Petrol):	3.8kW
Rated Power (Petrol):	3.5kW
Max Power (LPG):	3.3kW
Rated Power (LPG):	3.0kW
Size:	480x290x440mm
Weight (dry):	22.5kg
Outlets:	1x IP44 15A 230V Outlet
Outlets:	USB and "T"-type DC 12V sockets
Starting:	Recoil
Fuel Tank Capacity:	3.7L
Oil Capacity:	SAE 10W - 30 @ 0.45L
Noise dB:	58dBA 7m @ 25%

What's Included

PTi3800-LPG Generator

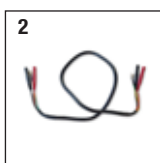

LPG Regulator

450ml POWERTEC Oil Bottle

User Manual

Tool Kit

Key Optional Accessories

1. GTGC-S - Generator cover
2. 16757 - Parallel Link Kit

PTi3800-LPG
